

Showing the Faces of Our 12 Days of Christmas Charity Fundraiser

As you may remember in December 2018, The Orangeblowfish organized the 12 Days of Christmas Charity Fundraiser to raise funds to sponsor a child born with congenital heart defects (CHD).

Why did we choose [Heart to Heart Shanghai](#)?

Established in 2003, Heart to Heart is a 100% volunteer based organization. This means that they have zero operating costs and all funds raised are donated to the children and families in need.

So how did we do it?

"Heart to Heart is extremely grateful for the funds raised from the 12 Days of Christmas WeChat donation. 100% of that donation will be put towards the sponsorship of a child for heart surgery, through Heart to Heart Shanghai. Thank you!" said Karen Carrington, Executive Director of Heart to Heart Shanghai Foundation.

"We're extremely proud of The Orangeblowfish community coming together and supporting this meaningful cause. We intend to continue partnering with Heart to Heart Shanghai throughout 2019 and do more for this wonderful organization," commented Su Yang, founder and Creative Director of The Orangeblowfish.

So what happens next?

Heart to Heart Shanghai will start the paper work and admission process of our sponsored child. Once he/she has had surgery and is ready for visitors, hopefully The Orangeblowfish team will be able to visit the child and his/her family in hospital.

Remember our lucky draw prizes?

Below are the winners:

POP UP CARD

STORY BOOK

We thank each and every one of you for your kindness, you have helped us transform a child's life.

EDIT PAGE
